You are so beautiful

You are beautiful

F Dm

All the way

C Bb Am7

Yesterday

Gm

I had quicksand to my neck

Am7 C

It was like I always got

Grains of sand in my shoes

As I tried to walk this path

That is called this life

A new morning

Dm Bb

Is here to rise

F C

And I'm OK with this

Sense of getting by

There're so much small things

That makes my day complete

So every morning

Is a new morning to rise

You, so beautiful

Yeah, all the way

You fill me with pleasure

Like water fills the well

I know it's close to dawn

Cause I recognise you

As my friend

Every time I meet your eyes

And I know a new morning

Is here to rise

And I'm OK with this

Sense of getting by

There're so much small things

That makes my day complete

So every morning

Is a new morning to rise

You are so beautiful

Mmmmm, all the way

Until we meet again

Let the memory hold my hand

You are so beautiful

So beautiful all the way

How come we're so fragile

Gm

When it come's to love?

Am7

Thank god that we're so fragile

Gm

When it comes to love

Am7 C

And a new morning

Is here to rise

And I'm OK with this

Sense of getting by

There're so much small things

That sends me to the sky

I'll take my shoes off

Cause I'm on holy ground
