### **You don't leave ( the one you love)**

You don't leave the one you love  
Just because it's fun to fool around

D C G  
G Bb D

Well baby, baby I don't know what's wrong  
But when I see you now my heartbeats not so strong  
I think I've lost that important desire  
You know you used to put that stick to fire  
And under the sun there's nothin' new  
But I guess we both have to improve

A D A D G

E

Cause I don't wanna leave the one I love  
Just because it's fun to fool around  
You know I been lookin' on the other side  
That's something I tried to hide  
But you don't leave the one you love  
Just because it's fun to fool around

D C G  
G Bb D

You know that sweet woman, she made me blind  
She dipped her finger in honey, put it in her mouth  
Well she seemed to rock real slow and real hard  
She tempted me, now I think that's bizarre  
Cause when I got to the point of making up my mind  
She appeared to me as the not reliable kind

So you don't leave the one you love...

Well I got to that state where the only way to move on  
Is to get back.  
And when I see you tonight I know you're the one  
To hold me right on track

So now you tempting me like you used to do  
Now you're fingers making my mind go Uh-Huh  
And you're eyes glow like a wild cat in spotlight.  
And the touch of your legs sends me in a space flight.  
Cause your tongue once again gets me to straddle.  
It feels good to be back as your saddle

So you're the one I love  
Now it's fun to fool around  
Cause you're the one I love  
Yeah, you're the one I love.....
